Top-Notch Plumbing's AI Visibility Report

Prepared for Adrian Vigil, Founder & Master Plumber · topnotchplumbingllc.com · Audited 2026-10-22 · residential and commercial plumbing, heating and air — Greeley and Northern Colorado

FULL SCORE · ALL 5 PILLARS · TOPNOTCHPLUMBINGLLC.COM

80/100 **B** → **85/100 projected after fixes**

Every number here is from a live test, not an estimate

10 real questions — from homeowners, and from the property managers, general contractors and public-sector buyers who hire you — were put to **ChatGPT, Claude, Perplexity and Gemini** in two live runs on 2026-10-22 and the answers read in full. An engine counts as citing you if it used your own site as a source, or named you, in either run. Claude answered 7 of 10 questions; where an engine returned nothing it is shown as not tested, not as not cited. Where our automated classifier and the answer text disagreed, we went with the text.

WHAT AI SEES ABOUT YOU NOW

Ask AI for the best plumber in Greeley and it answers **"Top Notch Plumbing, Heating & Air"**, citing 400+ Google reviews. **You're cited 29 times across 37 engine checks, on 9 of 10 questions** — including as first choice for ongoing maintenance and for commercial sewer work. The one blank is the question public-sector buyers ask: certified minority-owned or small-disadvantaged plumbers, where AI names state and city directories and no firm. And **9 of 18** narrower questions come back open — several for services you already sell.

Cited instead of you: Horsetooth Heating, Air & Plumbing, Yetty Mountain Plumbing, Planet Plumbing & Drain, Neuworks Mechanical, Roto-Rooter Greeley, JT Plumbing Heating & Air.

THE FIX

1. Today
Pick one award line, one set of hours and one company name, and use them everywhere.

2. This month
Add Adrian as a Person in your schema, add FAQs, and show your certifications with proof.

3. This month
Publish the capability statement as a page, and the pages for the open services below.

→ Moves your score from 80/100 to a projected 85/100.

PILLAR SCORES

Crawler Access	19/20	STRONG
Entity & Schema	16/20	STRONG
Content Citability	15/20	MODERATE
Off-site Corroboration	14/20	MODERATE
Technical Foundation	16/20	STRONG

Biggest gap: AI can find **four facts that disagree**. (1) The page title says "5x Best of Greeley"; the home page says "2020–2025" and "Six Years Running"; llms.txt says "5 years straight." (2) Hours are 7am–4:30pm in the header and 7am–4:00pm in the footer and on the commercial page. (3) Your structured data spells the company three ways. (4) Your company description lists SBA 8(a), MWBE, EBE and DBE certifications; the home, about and commercial pages don't, and AI finds 8(a) only through a capability statement.
Quick win: one award line, one set of hours, one name — an afternoon of work.

Public-sector certifications
Asked for “certified minority-owned or small disadvantaged plumbing contractors for public-sector projects,” AI names no firm and sends buyers to the Colorado Supplier Diversity Directory, Denver's MWDBE directory and CDOT's DBE directory. Asked specifically for SBA 8(a) plumbers, it names Top-Notch, citing a capability statement. We have not verified any certification — SBA's DSBS and Colorado's certification programs are the official records — but AI can only repeat what it can read.

THE QUESTIONS YOUR BUYERS ASK

Put verbatim to ChatGPT, Claude, Perplexity and Gemini, twice. Your own site was cited on 9 of 10 (9 named, 0 source-only); 29 of 37 engine checks.

HOMEOWNERS, PROPERTY MANAGERS, CONTRACTORS AND PUBLIC-SECTOR BUYERS (TOPNOTCHPLUMBINGLLC.COM)

“Who is the best plumber in Greeley, Colorado?” — NAMED
named first, citing 400+ Google reviews and Best of Greeley

“Who offers drain cleaning and sewer line repair in Greeley, Evans and Windsor?” — NAMED
named alongside Manny's Quality Plumbing, Yetty Mountain Plumbing, Origin Plumbing

“Best plumbing and HVAC company in Northern Colorado” — NAMED
AI leads with Horsetooth Heating, Air & Plumbing; you are cited by Claude and Gemini

“Who installs and repairs water heaters in Greeley, Colorado?” — NAMED
named alongside Lion Home Service, Greeley Furnace Heating & Air, Horsetooth

“Who is Adrian Vigil, founder of Top-Notch Plumbing, Heating & Air?” — NAMED
all four engines name Adrian and the company, citing your site and LinkedIn

“Is Top-Notch Plumbing, Heating & Air in Greeley legitimate? Reviews?” — NAMED
named: “appears to be a legitimate Greeley-area company,” with Google, Thumbtack and BestProsInTown ratings

“Commercial plumbing contractors in Northern Colorado: new construction and medical gas” — NAMED
named alongside Neuworks Mechanical and Phillips Plumbing & Mechanical

“Certified minority-owned or small disadvantaged plumbing contractors for public-sector projects” — NOT YOU
AI points to the Colorado Supplier Diversity Directory, Denver's MWDBE directory and CDOT's DBE directory — and names no firm

“Property manager: which plumbing company should I use for ongoing maintenance?” — NAMED
referrer question: you are named first for ongoing maintenance, ahead of Roto-Rooter Greeley

“General contractor: who should I call as plumbing sub on Weld County commercial work?” — NAMED
referrer question: Yetty Mountain, Planet Plumbing and Western Plumbing Solutions lead; you are cited by ChatGPT and Gemini

THE “WHY” — AI'S OWN REASONING

Not our inference — the models' actual generated answer text.

THE PUBLIC-SECTOR QUESTION, MISSED

“Which certified minority-owned or small disadvantaged plumbing contractors in Colorado can bid on government and public-sector projects?”

“Colorado does not appear to publish a single, verified list specifically labeled ‘minority-owned plumbing contractors.’ The most reliable way to identify eligible firms is to search the state and Denver certification directories …”

What this tells us: AI sends buyers to directories and names no one. If you hold these certifications, being listed in those directories — and saying so on your site — is what puts you in the answer.

A NARROWER QUESTION, FOUND

“SBA 8(a) certified plumbing contractors in Colorado”

“Top-Notch Plumbing, LLC — Greeley … Its capability statement identifies it as SBA 8(a)-certified. … Because 8(a) status and exit dates can change, verify each company in SBA's official Small Business Search/DSBS before awarding a contract.”

What this tells us: AI can find your capability statement, so the content exists. But it sits off your main pages and isn't tied to the broader question. Making it a visible page is a quick win.

THE REGIONAL QUESTION, MISSED

“Best plumbing and HVAC company in Northern Colorado”

“Horsetooth Heating, Air & Plumbing is a strong overall choice for Northern Colorado … recognized as a top Northern Colorado HVAC and plumbing company by The Colorado Sun's ‘Colorado's Best’ awards.”

What this tells us: Beyond Greeley, AI leans on regional awards and long-established names. Your own awards line is inconsistent today — one clear statement helps AI repeat it.

START HERE

Ordered by how fast each can be done. Points are what each recovers against the 100-point score.

Today

Nobody else has to be involved.

One award line, one set of hours, one company name +2 pts

Page title, home page, footer, commercial page, llms.txt and your structured data.

This month

Needs writing, structured data, or outreach.

Person data for Adrian and FAQ markup +1 pts

Founder, master plumber, license MP00600505, Partners Northern Colorado board; FAQs on the main service pages.

Show your certifications, with proof +1 pts

A visible section and the capability statement published as a page; directory listings for each certification you hold.

Publish pages for the open services +1 pts

Backflow, medical gas, mini-split, whole-house filtration, boilers, hydro jetting; Windsor and Evans pages.

OPPORTUNITY FINDER

Real, narrower questions in your exact niche, checked live and scored for how uncontested the answer is. **9 of 18 came back genuinely open**, and 9 already name you.

“Backflow testing companies in Greeley and Northern Colorado”

Why it's open: AI names Troudt Plumbing, AJ's Backflow Testing and All American Backflow. You offer backflow testing and have a page for it.
How to win it: Strengthen that page: certified testers, annual-test reminders for commercial accounts, cities served, FAQs.

“Medical gas installation and certification contractors in Colorado”

Why it's open: AI names Ellis Wyatt MEP, Medical Air Systems and HX Mechanical. You list medical gas as a capability.
How to win it: A dedicated medical-gas page: scope, certifications, project types.

“Best contractor for ductless mini-split installation in Fort Collins and Greeley”

Why it's open: AI names Air X-Treme, A&O Heating & Air and Lion Home Service.
How to win it: An installation page, next to your repair-vs-replace guide.

“Whole-house water filtration and water softener installers in Northern Colorado”

Why it's open: AI names Mr. Rooter, NoCo Plumbing & Hydronics and Colorado Water Purification. You list both services.
How to win it: A filtration-and-softener page with local specifics.

“Best water heater replacement company in Windsor and Evans”

Why it's open: AI names JT Plumbing, Affordable Home Services and Polar Bear.
How to win it: City pages for Windsor and Evans.

“Best plumbers in Windsor, Colorado”

Why it's open: AI names Mountain Valley Plumbing and Heating and Master Plumbing Solutions from review sites.
How to win it: A Windsor page with reviews from Windsor customers.

“Boiler repair and installation in Greeley, Colorado”

Why it's open: AI names McCormick Heating & Cooling and Balance Point. You have a boiler page.
How to win it: Strengthen it: brands, replacement guidance, FAQs.

“Hydro jetting and drain camera inspection in Greeley, Colorado”

Why it's open: AI names Express Flow Drains and Elite Rooter. You offer drain cleaning and sewer scope.
How to win it: A hydro-jetting and camera-inspection page.
